- You can register for this option online at the United Sports website, if you know the specific dates that your child will need before/after school care. We do offer a drop-in option, where you would pay the “occasional use” fee at the time of drop-off. For more details about this option, please call United Sports at 610-466-7100.

9. Does United Sports offer a Kindergarten Enrichment program or a Preschool Program?

No, not at this time. We are focusing on developing a Before & After School Care program that not only meets, but exceeds expectations. As the program develops we may look at adding these components in the future.

10. Does the Before & After Care Program at United Sports provide snacks?

United Sports provides an afternoon snack only. Families have to provide snacks for before care.

11. Does my child need to be a registered member at United Sports to enroll in this program?

- Yes. A child or family must have a United Sports membership in order to participate in this program. The registration fee for a single child is \$25.00. We also offer a family membership for \$60.00 that would include both parents and children, which would allow the entire family to participate in United Sports programs! You can register as a member online at the same time as you register for the before and after care program. Register online at: <http://unitedsports.net/>

12. Will my child have time to do homework?

- Yes, we will offer time for children to complete homework - and snacks will be provided during the afternoon sessions!
